

HEATHER POSEY

PROPERTY MANAGER

PROFESSIONAL BACKGROUND

After a career transition in 2010, Heather Posey dove feet first into the world of real estate. She began her career as Market Manager for a REIT where she built the company's portfolio of 290 single family homes, oversaw its property renovations, and subsequently marketed, leased, and managed the properties. After the company was sold in 2017, Heather served as the Design/Operations Manager for a custom home builder in coastal North Carolina, where she led a team and oversaw all aspects of design for the firm.

Heather was designated Rookie of the Year by the Lancaster Board of Realtors in 2010 and prides herself on her ability to build strong relationships using her transparent, communicative approach. Heather also has a strong background and knowledge of tenant-landlord law, which allows her to represent her clients efficiently and effectively. Heather loves 80's hairbands, and in her free time you can find her rocking out at a concert or hiking with her dogs, Riley and Dash.
