John is a committed Realtor with the ability to provide an expert level of market knowledge in a wide array of Real Estate transactions. His integrity and energy add a level of creative services that can benefit any business. Professionally representing tenants, buyers, businesses, and landlords as a sales and leasing agent with Ohio Equities, the experts in Columbus Commercial RE for over 40 years.

John's expertise allows him to work on office, retail and industrial transactions. He assists landlords and tenants in developing a detailed plan to meet their overall mission and goals. Upon analyzing properties with clients, he works in many ways to provide market knowledge, opinion of value, and proven steps to getting deals done that satisfy both landlords and tenants. John has an innate ability to collaborate with small and large business owners, working to understand and communicate goals.
