As Vice President of Property Management, with over 30 years of commercial real estate experience, Dwight leads our Property Management Division, which services a diverse portfolio of office, medical, retail, industrial, multi-family, and homeowner associations. He interfaces continuously with our Property Management and Brokerage professionals to optimize client relations, real estate strategy, and return on investment. Before joining NAI Ohio Equities, Dwight served as Executive Vice President of Real Estate Services for Equity, where he led the organization's national brokerage and property management divisions. As a Certified Facility Manager, Dwight is known for his technical acumen and excels at providing his clients with sound operational efficiencies and outcomes.
