Melissa is currently the on-site property manager of a multi-family facility with 98 homes in the bustling Arena District in Columbus. She is responsible for the on-site management of the facility, budgeting, day-to-day operations and general oversight of the facility. In addition, Melissa manages an additional downtown multi-family facility with 60 residential homes and two commercial spaces from her satellite office. Melissa joined NAI Ohio Equities with a background in multi-family rentals where she worked for a large Columbus based developer.
