rgarcia@ohioequities.com

Roxanne has extensive property management experience, working in various positions from executive administration support to on-site management. She has managed properties ranging from new build to established communities of 130 to 300 plus units. She is experienced in all aspects of property management including leasing and marketing, creating positive resident relationships, team building, lease administration, building maintenance, management planning, budgeting, accounting, and capital improvement planning. Roxanne flourishes in both environments of successful apartment communities with highly standardized policies and procedures as well as communities with deferred management and maintenance requiring repositioning.
