Saundra Cramblett comes to NAI Ohio Equities with over 20 years experience in the field of Property Management. Saundra specializes in mid-rise commercial facility management and residential property management.

Prior to joining NAI Ohio Equities, Saundra was a Senior Property Manager with major central Ohio property management companies. She was responsible for mid-rise, mixed-use commercial buildings; consisting of retail, residential, and parking structures. Saundra coordinated all property management functions, association needs, and the coordination of staffing for the concierge desk, maintenance technicians, and parking garage.
